Made In Vietnam

Washable Cotton Blend Face Mask

These 3-ply washable and reusable masks are made with a soft cotton/polyester blend material. Outer layer is a water-resistant fabric with the two inner layers providing antibacterial protection which utilizes a unique nano mesh technology. Masks are designed to meet CDC guidance for cloth face covering while also providing a comfortable fit. One size fits most.

- Machine wash, up to 30 times
- 65% Polyester + 35% Cotton
- Covers nose, mouth and chin
- Soft ear loops for a comfortable fit
- Masks are designed to meet CDC recommendations for face coverings in public settings or essential business.
